

Samsung Social Hub™

Messages

Social Hub integrates SMS, MMS, IM, e-mail and SNS messages to provide a complete messaging service.

The easiest way to organize your phone! Let's check out Messages.

1. Messages

Tap Application and you will see Messages.

Tap it! And you can view all your messages with one flip.

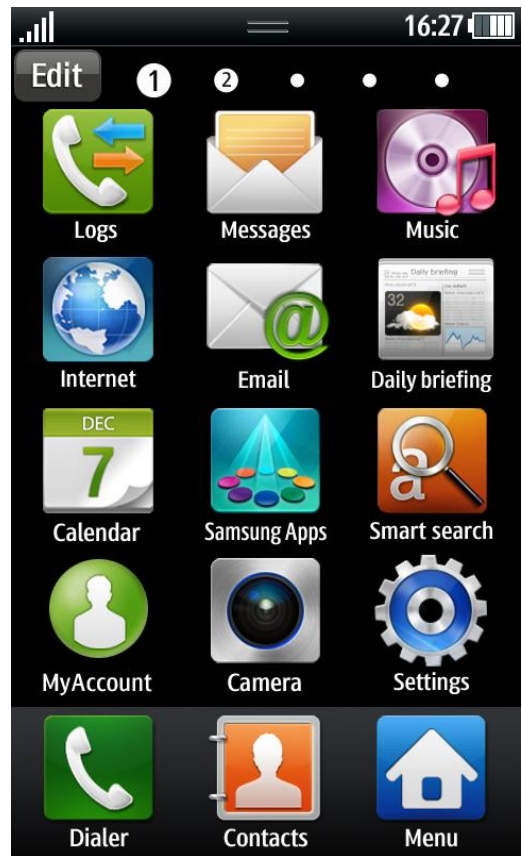

2. View all your messages on one screen.

Messages are organized by type allowing you to select the type of message you want to view.

E-mails and SNS messages can be sorted according to account or SNS.
